Explanation of the PDF Documents:

In some cases, the original copies from the Election Commission were in small print and hard to read. In order to make them legible, these particular pages were enlarged, scanned and added to the applicable file at the end.

The enlarged format extends the information across 2 or 4 pages.

To match the donor with the amount of his/her contribution, simply reference the number line at the left of the 1st page with the number line at the right of the 2nd page.
